How we use cookies

How we use cookies

We use cookies on our websites. Cookies are bits of data we store on the device you use to access our websites and services so we can recognise repeat visitors. Each cookie expires after a certain period of time, depending on what we use it for. We use cookies for several reasons. Below we list and describe the various cookies used on SmartSurvey's website.

By using SmartSurvey's website, you expressly consent to the use of cookies as described on this page and in our Privacy Policy.

Cookie	Purpose	Expiration
Google	Used to collect and analyse information about how visitors use our site. We use Google Analytics and the Google Tag Manager platforms to collect and compile reports that help us improve our services. The cookies collect information in an anonymous form, including the number of visitors to the site, where visitors have come to the	**2 years**
